HEALTH LABORATORY SCIENCE

VOLUME 10, 1973

INDEX

	Pages		Pages
January	1–40	July	153–262
April	41–152	October	262–366

Official Publication of the Laboratory Section
American Public Health Association, Inc.
1015 Eighteenth Street, N.W., Washington, D.C. 20036

INDEX TO VOLUME 10, 1973

(Titles and Authors)

A

Page

A Method for the Inclusion of *Neisseria gonorrhoeae* and *Hemophilus influenzae* in a Mailed Microbiology Proficiency Test. Molenda, J. L., and Petran, E. I. 2

A Microbiological Assay Technique for Hands. Petersen, N. J., Collins, D. E., and Marshall J. H. 18

A Modified Semi-Micro Method for the Microscopic Agglutination Test for Leptospirosis. Sulzer, C. R., and Jones, W. L. 13

A New Medium for the Isolation of Pathogenic *Neisseria* (NYC Medium). I. Formulation and Comparison with Standard Media. Faur, Y. C., Weisburd, M. H., Wilson, M. E., and May, P. S. 44

A New Medium for the Isolation of Pathogenic *Neisseria* (NYC Medium). II. Effect of Amphotericin B and Trimethoprim Lactate on Selectivity. Faur, Y. C., Weisburd, M. H., and Wilson, M. E. 55

A New Medium for the Isolation of Pathogenic *Neisseria* (NYC Medium). III. Performance as a Culture and Transport Medium without the Addition of Ambient Carbon Dioxide. Faur, Y. C., Weisburd, M. H., and Wilson, M. E. 61

A Relative Value Structure Helps Laboratory Management Fight the Numbers Racket. Elwell, G. R., and Lawton, H. L. 203

A Time for Decision. Bodily, H. L. 154

Addendum to General Precautions and Techniques 128, 136, 141, 251

Addendum to "Tentative Method for the Continuous Analysis of Total Hydrocarbons in the Atmosphere (Flame Ionization Method): Flame Ionization Detector 43101-02-71T 108

Alexander, E. R., et al. Isolation of Viruses, Bacteria and Other Organisms from Venereal Disease Clinic Patients 75

PAGE

Ambrose, J. A. Analysis of the "Report on a Cooperative Study of Various Fluorometric Procedures and the Guthrie Bacterial Inhibition Assay in the Determination of Hyperphenylalanemia" and the Significance of this Study in the Detection, Diagnosis, and Management of Phenylketonuria (PKU) 188
Ambrose, J. A. Report on a Cooperative Study of Various Fluorometric Procedures and the Guthrie Bacterial Inhibition Assay in the Determination of Hyperphenylalanemia..... 180
Analysis of the "Report on a Cooperative Study of Various Fluorometric Procedures and the Guthrie Bacterial Inhibition Assay in the Determination of Hyperphenylalanemia" and the Significance of this Study in the Detection, Diagnosis, and Management of Phenylketonuria (PKU). Ambrose, J. A. 188
Anderson, H. V. Format of the Clinical Laboratory of the Future..... 280

B

Bacterial Flora of Synthetic Carpets. Bonde, G. J. 308
Bacteriological Techniques for Testing Carpets. Litsky, B. Y. 28
Blasi, D., et al. Intestinal Carriagt of *Klebsiella* and *Pseudomonas* in Burned Children and Their Comparative Role in Noscomial Infection..... 173
Bodily, H. L. A Time for Decision..... 154
Bonde, G. J. Bacterial Flora of Synthetic Carpets in Hospitals..... 308
Bonin, P. et al., Isolation of Viruses, Bacteria and Other Organisms from Venereal Disease Clinic Patients 75
Book Reviews 39, 103, 209, 335
Brewer, J. A., and Turner, A. G. Replicating Rodac Plates for Identifying and Enumerating Bacterial Contamination 195

C

California Encephalitis in Iowa (1969–71). Wong, Y. W., Rowley, W. A., Rowe, J. A., Dorsey, M. A., Humphreys, M. J., and Haulser, W. J., Jr. 88
Chipps, D. D., et al. Intestinal Carriage of *Klebsiella* and *Pseudomonas* in Burned Children and Their Comparative Role in Noscomial Infection..... 173
Clark, J. A., and Vassoff, L. T. Relationships Among Pollution Indicator Bacteria Isolated from Raw Water and Distribution Systems by the Presence-Absence (P-A) Test..... 163
Collins, D. E., et al. A Microbiological Assay Technique for Hands..... 18
Collins, D. E., et al. Why Wash Walls in Hospital Isolation Rooms?..... 23
Cooney, M. K. Relative Efficiency of Cell Cultures for Detection of Viruses..... 294

D

Davidow, B., Quame, B., Abell, L. L., and Lim, B. Screening for Drug Abuse..... 329
Dayton, S. L., et al. Intestinal Carriage of *Klebsiella* and *Pseudomonas* in Burned Children and Their Comparative Role in Noscomial Infection..... 173
Diamond, B., et al. Regionalization of Laboratory Services..... 287
Dorsey, D. C., et al. California Encephalitis in Iowa (1969–71)..... 88

E

Editorials 1, 41, 153, 263
Egwu, I. N. New Methods in the Study of Bacterial-L Forms and Mycoplasma..... 7
Elwell, G. R., and Lawton, H. L. A Relative Value Structure Helps Laboratory Management Fight the Numbers Racket 203

F

Faur, Y. C., Weisburd, M. H., Wilson, M. E., and May, P. S. A New Medium for the Isolation of Pathogenic *Neisseria* (NYC Medium). I. Formulation and Comparison with Standard Medium 44

PAGE
